

Grant Application Request From Sheriff

The Sheriff is requesting to make an application to the U.S. Department of Justice FY2017 Competitive Grant Announcement for a Body Worn Camera Policy and Implementation Program.

The grant is due February 16, 2017 with awards to be announced in the summer of 2017.

Law enforcement agencies across the country are using body worn cameras as a promising tool to improve law enforcement interactions with the public. The intent of the DOJ program is to help agencies develop, implement, and evaluate body worn cameras.

The grant funds will be used to acquire at least fifty (50) body worn cameras for the Sheriff's Deputies.
