THERMO ELECTRON NORTH AMERICA LLC (A Division of Thermo Fisher Scientific LLC) is the sole distributor of service and parts for the Atomic Absorption Photometer instrument. This equipment is not available through any other distribution channels with the United States.

As the parts and service provider for THERMO ELECTRON NORTH AMERICA Atomic Absorption parts and service, we hold several patents and copyrights on unique parts and assemblies making us the sole source for replacement parts. Any parts found to be manufactured by a third party organization will not be covered under any existing service maintenance agreement or manufacturing warranty. Service or repair precipitated by the use of third party products on our instrument will not be covered under any maintenance agreements or manufacturer's warranty and customer will be billed for any parts, travel and labor expenses.

THERMO ELECTRON NORTH AMERICA LLC also does not provide certified training for any third party private contracting firms. Only Thermo Electron service personnel are trained and authorized to perform service on our products.

Please feel free to contact us if you have any questions regarding this information. We can be reached at 800-532-4752. Thank you for your interest in Thermo Electron North America LLC.

Regards,

Peggy Legler
Service Coordinator
