Dear Ms. Dorrell:

After reviewing all attached bid documents, we have determined that the quote provided by Regional Medical Laboratory, Inc. best fits the needs of Tulsa County Social Services. Their prices for our most frequently ordered laboratory tests, as a whole, are the most competitive.

The Center for Disease Detection does not provide testing which we require for the juvenile population.

If you need any further information, please do not hesitate to contact me.

Thank you.

Dear Susan Sutterfield,

The Tulsa City-County Health Department has reviewed and evaluated the bids for the Laboratory Services. After our assessment of these bids it is our recommendation to award the bid to Regional Medical Laboratory. This decision was arrived at by an assessment of who was the most economical for the tests we use as well as their customer service history that we have had with them. The manager over the clinics Priscilla Haynes concurred this decision with her appropriate staff. If you have any questions please call Priscilla Haynes at 918-594-4822 or Jack Coonfield at 595-4424.

Respectfully submitted for your approval

Sincerely,

Bruce Dart Ph.D.
