Time to Request Absentee Ballots for 2020 Election Year

Voters who have not yet requested absentee ballot for the 2020 Election Year should submit their absentee ballot applications to their County Election Board as soon as possible, the Tulsa County Election Board Secretary said today. Voters can request ballots for individual elections or for all elections they are eligible to vote in during the 2020 Election Year. County Election Board Secretary, Gwen Freeman encourages voters to apply early.

“We have many federal, state, and local elections coming up in 2020. Signing up for absentee ballots is a great way to make sure you stay informed and never miss an election,” said Freeman.

Applications are available at the Tulsa County Election Board or can be downloaded at: elections.ok.gov. Voters can also apply electronically using the State Election Board’s OK Voter Portal at: elections.ok.gov/ovp.

Freeman reminds voters that requests must be submitted no later than the Wednesday before the first election in which the voter would like to participate. The first election for Tulsa County is February 11, 2020. The list of elections can be found at: elections.ok.gov.
