The project is currently 14% complete

- Project Length = 5 miles
- New road construction
- This project connects US-412 to I-44 as part of the Western loop around the Tulsa metro area.
- The project involves a funding partnership between the Oklahoma Turnpike Authority, City of Tulsa, Tulsa County, Indian Nations Council of Governments, Oklahoma Department of Transportation and FHWA.
- Anticipated completion is Fall of 2022.
Current Construction Activities:

- Commissioner Keith meets with Joe Echelle of OTA to discuss the status of the project.

Looking North towards 31st Street

- Large earth moving operations are underway South of 21st Street.

Looking North from 26th Street towards 21st Street
• The embanked soil must be blended and adjusted for moisture content to obtain optimum compaction.
