EARLY VOTING TO BE HELD AT ONEOK FIELD

The Tulsa County Election Board will be conducting in-person early voting prior to the November 3rd 2020 Federal, State and County Election and The City of Tulsa: Runoff Election on Thursday and Friday October 29th and 30th from 8am to 6pm and Saturday October 31st from 9am to 2pm.

We anticipate record breaking voter participation for this three-day early voting period and are pleased to announce that we will be partnering with the Tulsa Drillers to make ONEOK Field in downtown Tulsa as our chosen location for in-person early voting. The ONEOK Field location will enable Tulsa County voters to vote at a single, large, centrally located venue where our staff and resources can be combined to ensure the success of our early voting teams and to assist in the implementation of CDC guidelines that include adequate room for large crowds and social distancing, an open-air facility that helps prevent the spread of COVID, ADA compliant, has more available parking areas, is easily accessible by public transportation and is a well-known and familiar location. We would like to extend our sincere thanks to ONEOK Field management and the Tulsa Drillers team for offering the voters of Tulsa County use of their location for this event.

We are encouraging voters to wear masks and social distance while voting.

Because we will be utilizing all available staff members to facilitate early voting at one large site, the **Tulsa County Election Board will not be available for early voting** but will be open for other business including in-person absentee ballot drop-off. **Absentee ballots cannot be dropped off at ONEOK Field.**

Please visit our website for further information on in-person early voting for October 29th through the 31st, including a map of parking and public transportation locations near-by.
