Back to School
By Commissioner Keith
Vacations are winding down and it is time to get ready for all our children to return to school! (I do believe I hear moaning from the children and shouts of joy from the parents!) Please remember to slow down in the school zones. These children are our future and we need to promote their safety. Please contact our office if any of the school zones need of enhancements to make them more prominent. SLOW DOWN is the best advice that can be offered as you drive in and around school areas.

The community used this an opportunity to “reflect on the past, evaluate the present, and propose solutions for the future.” As the anniversary of the 1921 “Race Riot and Massacre” approaches, this was a good opportunity to learn from their efforts.

The Memphis Rock and Soul Museum tells the story of how black and white musicians came together to create unforgettable music and show the world what collaboration looks like and the amazing results that follow.
We, of course, made a stop by Graceland and found the house and grounds decorated for Christmas. Turns out Hallmark is shooting a movie there. Just seeing all the decorations helped cool us down a bit.

I think our Tulsa group learned much on our 3-day whirlwind tour and I’m grateful to VisitTulsa and the
