MEMO

DATE: November 6, 2019
FROM: Matney M. Ellis
Purchasing Director
TO: Board of County Commissioners
SUBJECT: Amendment 1 – Wallace Engineering Structural Consultants, Inc.

Submitted for your approval and execution is Amendment #1 to the agreement between the Board of County Commissioners on behalf of the Tulsa County Juvenile Bureau and Wallace Engineering Structural Consultants, Inc., which was originally approved on August 26, 2019, CMF# 20190415.

This amendment is for stormwater runoff design and calculations which were required by the City of Tulsa for permitting. The cost of the additional services proposed in this amendment is \$8,000.00.

Respectfully submitted for your approval and execution.

MME / mlb

SUBMITTED FOR: The November 12, 2019 BOCC meeting agenda.

RE: Additional Service Request – FCJJ Visitor Parking Lot
Wallace Project No. 1940142.01

Mr. Ellis:

During permitting discussions with City of Tulsa regarding this project, the City requested stormwater studies in excess of all previous downtown projects. They stated stormwater detention would likely be required, unless Wallace can provide calculations proving there is no adverse impact to Archer Street and neighboring properties.

After a detailed drainage study Wallace determined detention is not necessary because the proposed amount of runoff to Archer Street is within its capacity for stormwater conveyance. Plans and calculations indicating such are currently in review at City of Tulsa.

We respectfully request additional fees of \$8,000 for compensation to provide the additional design and calculations for City of Tulsa permitting.

If you have any questions or need additional information, please do not hesitate to contact us.

Sincerely,

WALLACE ENGINEERING • STRUCTURAL CONSULTANTS, INC.
