DATE: August 19, 2020
FROM: Matney M. Ellis
Procurement Director
TO: Board of County Commissioners

Submitted for your approval and execution is the attached Annual Maintenance Agreement between the Tulsa County Board of County Commissioners on behalf of the Tulsa County Sheriff’s Office and Leidos Security Detection & Automation, Inc. for equipment maintenance of x-ray systems. Equipment to be serviced is model #PX6.4, Serial numbers PX641297, PX641301, PX641376 and PX641378 for $5,600.00 each.

Respectfully submitted for your approval and execution.

MME / arh

SUBMITTED FOR: The August 24, 2020 BOCC meeting agenda.
July 6, 2020

Board of County Commissioners of Tulsa County
Tulsa County Sheriff’s Office
Attn: Trey O’Neal
500 S. Denver
Tulsa, OK 74103
Phone: 918-591-6148
Email: toneal@tcso.org

Dear Mr. O’Neal:

Leidos Security Detection & Automation, Inc., is pleased to provide the attached proposal for equipment maintenance on your x-ray systems with a period of coverage of August 20, 2020 thru June 30, 2021. We value your business and look forward to receiving your acceptance documentation soon.

Please review the attached proposal and verify the following information:
- Billing address for your invoice
- Delivery address
- Method of payment
- Model description, serial number, and location of system

If you do not issue purchase orders, by signing this document, you have acknowledged our proposal and agree to enter into a maintenance contract with Leidos Security Detection & Automation, Inc., and this document will serve as a purchase order. We will respond via fax, mail, or e-mail with your Contract ID for your records.

If you have any questions please feel free to contact me directly at your convenience. Should any repairs or adjustments be required to your equipment in between the regular scheduled preventative maintenance visits please contact our 24x7 Service Center directly at 1-800-776-3031.

Sincerely,

Lillian Castro-Pena

**TOTAL ANNUAL PRICE:** $22,400 plus tax if applicable - See document no. 8100-11901-00, clause no. ten (10) for details.
ANNUAL EQUIPMENT HARDWARE MAINTENANCE CONTRACT TERMS AND CONDITIONS
Document No. 8100-11901-00

1. **Cross-Indemnification:** L3 Security & Detection Systems, Inc., hereinafter referred to as Seller, shall indemnify, defend and hold Buyer harmless from and against any losses, damages, expenses, liabilities, and costs arising out of the negligence of Seller, its employees, or agents in performing services under this Agreement. Buyer shall indemnify, defend and hold Seller harmless from and against any losses, damages, expenses, liabilities, and costs arising out of the negligence of Buyer, its employees, or agents with respect to the use or operation of the System. 8.17.2020 Approved by Dan Curtis

2. **Cancellation during the contract period:** If Buyer cancels this Agreement pursuant to Section three (3) or if newly purchased equipment supplied by Seller replaces the equipment under this contract, Buyer may cancel this contract without charge by giving written notice to Seller. In the case of a cancellation for any other reason, Buyer must provide Seller ninety (90) days prior written notice of cancellation or pay Seller 25% of any remaining annual contract fee as liquidated damages. Seller also reserves the right to cancel this Agreement without penalty if Buyer is in default and fails to cure within 30 days following receipt of written notice of default. 8.17.2020 Approved by Dan Curtis

3. **Cancellation for cause:** Buyer retains the right to cancel this contract immediately and without advance notice to Seller should Seller's services be unsatisfactory in quality or should Seller fail to perform in accordance with the statement of services for any reason within Seller's control. In the event of such cancellation, Buyer will notify Seller in writing. Buyer will pay only for the services rendered up to the date that Seller receives the written cancellation notice.

4. **Limitation of liability:** Regardless of the legal or equitable basis of any claim, in no event will Seller be liable for: (1) any special, indirect, incidental or consequential damages, including without limitation, any damages resulting from inaccurate or lost data, loss of use, loss of revenues or profits, arising out of or relating to this Agreement or any order, the furnishing of products and services or the use or performance of products or services, even if informed of such damages, or (2) for any third-party claims against Customer. Seller's maximum liability under any order, including liability arising out of products delivered, services performed or from Seller's negligence or other acts or omissions, will be limited to the amount paid to Seller for the products and/or services giving rise to the claim. 8.17.2020 Approved by Dan Curtis

5. **Alterations:** Buyer shall have the right to request that systems be returned to service coverage on a pro-rated basis. Prior to systems being returned to service coverage all systems are subject to billable pre-inspection services to be performed by the Seller. The Seller’s prevailing standard service rates shall be used to calculate the pre-inspection services.

6. **Software:** Unless otherwise expressly agreed in writing to the contrary, all technical specifications, software, technical information, source code, drawings, and/or Data provided to Buyer by the Seller, or used by the Seller in updating, upgrading or performing repairs to the Buyer’s equipment, shall remain the sole property of the Seller. Any use of said data and software shall constitute use under a limited use license only. This License is expressly limited to the functionality of individual items of Seller equipment previously purchased by the Buyer.

7. **Exclusions:** Contractual coverage shall not apply to any equipment, spare parts, or services that are: (a) repaired, moved or modified other than by Seller’s authorized personnel; or (b) subjected to physical or electrical abuse, stress, or misuse; or (c) stored, operated, modified, or maintained in a manner inconsistent with applicable Seller instructions and specifications. No third party agents, regardless of affiliation or former affiliation with Seller, retain the rights to perform service actions under this contract. Also excluded from this contract are parts, materials, and other ancillary equipment which have been damaged due to improper handling; power surges, exposure to the elements of extreme heat, extreme cold, moisture, acts of nature such as rain, steel, snow, earthquakes, lightning, hurricane, etc.; equipment failures resulting from installation or operation or use in any manner not in accordance with Seller instructions; failures resulting from installation or operation or use in any manner not in accordance with Seller’s instructions; equipment damage due to misuse or abuse (through negligence, accident, or vandalism); erroneous reports by Buyer of equipment failures; and equipment which has been repaired or modified without the written approval of Seller.

8. **Accessories and Attachments:** Service actions performed by Seller under this contract will not include maintenance or repair of accessories, attachments, machines, or other similar devices not originally supplied or provided by Seller; painting or refinishing of equipment or providing such painting or refinishing materials; or furnishing supplies, accessories, or other similar devices except as specifically required for equipment repair or maintenance.

9. **Special Cancellation:** The specific equipment covered by this contract shall be serviced as needed and all required spare parts shall be provided unless stock is no longer available due to end of life issues. Seller shall make a best commercial effort to support this equipment during the contract period and make provisions for end of life parts. Should services be required and spare parts are no longer available, Seller shall make a best commercial effort to render Buyer’s equipment back into operating condition. If Seller is unable to bring the up to operating condition, the affected equipment shall then be removed from the remainder of the contract and a pro-rated credit for the balance of the present contract term shall be issued. Credits shall be sent out within thirty (30) days of cancellation. Also, the affected equipment shall not be included in future contract renewals or during any remaining optional years.

10. **Taxes:** This quotation does not include taxes. Taxes levied against Seller as a result of products offered or sold hereunder and any services rendered in connection therewith, including but not limited to installation or maintenance would be additional cost and shall be reimbursable by Purchaser upon submission of supporting documentation for such costs.

11. **Acceptance of Buyer’s Terms and Conditions:** Any resultant Contract/Purchase Order with Terms and Conditions other than these shall not be accepted without notice provided to Buyer accepting all of a portion of the Buyer’s Terms and Conditions. Estimates are calculated under these Terms and Conditions and pricing may change for compliance with alternative Terms and Conditions as well as the schedule.
ANNUAL EQUIPMENT HARDWARE MAINTENANCE CONTRACT STATEMENT OF WORK
Document No. 8100-11902-00

1. **Response Time**: Leidos Security Detection & Automation Inc., hereafter referred to as Seller, will provide response as soon as possible to requests for equipment service from Buyer’s authorized representative. 24-hour Seller response time will be typical in geographical locations where Seller has resident service engineers. 24-hour Seller response time will be typical in geographical locations where Seller does not have resident service engineers. Seller does not warrant that the use of equipment will be uninterrupted or error free.

2. **Seller Responsibilities**: As applicable to the specific maintenance contract schedule, service actions performed by Seller will include all parts, materials, and labor required to adjust, maintain, repair, or restore the equipment to proper operating condition in accordance with the manufacturer’s specifications. Seller will not perform any modifications to the equipment without Buyer’s written approval. Seller will perform all service actions at the equipment site whenever possible and practical. Seller will perform all service actions with the least possible interference or disruption to the orderly conduct of Buyer’s normal operations. Upon the completion of service, Seller will leave Buyer’s premises in as neat, orderly, and clean condition as existed upon start of services. Seller will be responsible for obtaining all air side passes, work permits, clearances, and required licenses. Seller will be responsible for compliance with all laws, codes, rules, and regulations applicable to services performed under this contract. Seller will not transfer or assign its obligations under this contract, either in whole or in part, without the prior written approval of Buyer.

3. **Buyer Responsibilities**: Buyer will provide adequate facilities for Seller’s personnel. The facilities will include adequate workspace, heat, lighting, ventilation, proper electrical current, and earth grounded electrical outlets. The facilities will be located within a reasonable distance from the equipment being serviced and will be provided by Buyer at no cost to Seller. Seller will not be responsible for Buyer’s failure to provide prompt access to the equipment or to adequate facilities.

4. **Additional Services**: Upon agreement between Buyer and Seller, Seller may perform additional services beyond Seller’s obligations under this contract. Such services may include, but are not limited to, equipment installation, relocation, and re-installation. All such services, when performed, will be invoiced to Buyer in accordance with Seller’s prevailing standard service rate schedule.

5. **Service Call Report (SCR)**: Upon completion of service, Seller’s service engineer will submit the SCR to Buyer’s authorized representative. The SCR will itemize the service actions performed. Buyer’s authorized representative will be provided with a copy of the completed and signed SCR. Should Buyer fail to have an authorized representative on site for any reason upon completion of Seller’s services, the lack of Buyer’s authorized representative’s signature on the SCR will not be a basis for claiming unsatisfactory service was provided by Seller.

6. **Spare Parts and Materials**: All spare parts and materials provided and or replaced by the Seller, regardless if they are new, factory refurbished, rebuilt, restored, renovated or reconditioned, shall be warranted for ninety (90) days from the date of installation. Seller reserves the right to use Like-Kind-Quality spare parts and materials including new, factory refurbished, rebuilt, restored, renovated or reconditioned items. Any use of alternate spare parts and materials shall have no effect on the Form, Fit, and Function of said parts and materials and shall be warranted for ninety (90) days from the date of installation, or the remaining life of the contract, whichever is longer.

7. **Annual Preventative Maintenance for X-ray Systems**: Listed below are the procedures that our technicians perform during the annual contract period.

**ANNUAL PREVENTATIVE MAINTENANCE FOR X-RAY SYSTEMS**

**VISUAL AND MECHANICAL:**
- Vacuum system interior and exterior
- Inspect conveyor rollers
- Inspect condition of conveyor belt and lacing
- Adjust conveyor belt tension and tracking
- Inspect condition of x-ray sensor dust shields
- Inspect for x-ray generator oil leakage
- Align and clean optical sense modules
- Test indicator lamps for proper operation

**OPERATIONAL SAFETY:**
- Inspect AC line cord for damage and test for proper grounding
- Inspect finger guards and/or pop-out rollers for damage
- Verify conveyor under panels are securely attached
- Test emergency stop switches

**ELECTRONIC:**
- Adjust x-ray tube voltage and current
- Test operator control panel functions
- Adjust monitors
- Inspect conveyor relays
- Adjust power supply voltages
- Collimate x-ray beam
- Verify x-ray image quality & resolution

**RADIATION SAFETY:**
- Measure radiation dose per inspection (annual), test all safety interlocks for proper operation
- Measure external radiation emissions (annual)
- Test all "x-ray on" indicators for proper operation
- Inspect condition of lead curtains
- Inspect operator footmat for condition and test for proper operation
- Preparation of radiation performance report per x-ray system
