Session Schedule & Descriptions

Choosing Your Sessions

Please Note! We highly recommend reading descriptions of the sessions you are interested in and deciding which sessions you wish to attend before registering online.

Pre-Conference: Pre-conference sessions are optional. There is an additional \$50 fee to attend a pre-conference session.

Advanced Workshops: These workshops cover advanced content and are 3 hours in length (2 breakout sessions). If you select an Advanced Workshop, you are automatically opting out of the next session. For example, a workshop listed in Breakout Session 1 will still be in session during Breakout Session 2.

2-Part Sessions: These sessions are designed to be presented in 2-parts and in two consecutive Breakout Sessions. These sessions are not workshops and do not necessarily cover advanced content. You must select both sessions of a 2-part session.

ACTCP Credits

* Sessions marked with one asterisk, meet a foundation requirement for ACTCP.

**Sessions marked with two asterisks may be applied toward an optional foundation requirement.
