REFERENCE: Notice of Tort Claim, TC-2016-18

Please place the following tort claim on the agenda for the next meeting of the Board of County Commissioners. It will not be necessary to review the claim in Executive Session.

Notice: **TC-2016-18** **Claimant:** **James Lee McKenzie**
1949 N. Gary Ave., Apt. 2
Tulsa, OK 74110

On February 26, 2016, Claimant gave notice to the County Clerk of a tort claim based on an incident from February 19, 2016, wherein upon release from the County jail, his personal property turned over at booking was not returned. Following a request for additional information, Claimant provided such on May 16, 2016.

I received information from Josh Turley confirming the information Claimant alleged in his Notice of Tort Claim and supplementation. Based on my review, I believe it would be appropriate and therefore recommend the Board APPROVE this claim for \$242.43.

Respectfully submitted,

Nolan M. Fields IV
