Re: Application for Federal Assistance Commitment Letter  
FEMA Hazard Mitigation Grant Program  
Tulsa County Hazard Mitigation Plan Update

Dear Ms. Adams:

This letter shall serve as the Commitment Letter to be included in the above referenced Grant Application.

Tulsa County is proposing to update its Hazard Mitigation Plan to better coordinate the County's plan with those of Bixby and Jenks, and the Bixby and Jenks Public School's systems. The total estimated cost of the project is \$52,950.00, of which Tulsa County is committed to a 25% cash match equaling \$13,237.50.

Tulsa County pays membership dues to INCOG, this area's local sub-state planning district. Tulsa County's dues, during the duration of this project, will be greater than the 25% cash amount. These dues shall constitute the 25% cash match required under this program.

If additional information is required, please refer to the point of contact for this grant, Roger Jolliff, Director of Tulsa Area Emergency Management Agency, at (918) 596-9898. Thank you for considering our application for this project.

Sincerely,

Ron Peters  
Chairman, Board of County Commissioners
